\* Your plan will be recommended by your dentist based upon your risk of future dental disease. A child will receive free preventative dental care (examinations, x-rays, fluoride varnish application and fissure sealants as required) if their parent or guardian joins an adult plan.

## HOW TO JOIN?

Joining is quick and simple. You can set up your monthly payment by completing and returning the direct debit mandate or calling our friendly team on 01642 555 340. Please note that a £8.00 registration fee will be collected with the first month's payment (not charged if a child joins the children's plan).

## WHAT IS THE GLOBAL DENTAL A & E ASSISTANCE SCHEME BENEFIT?

Our dental plans include access to a Global Dental Accident & Emergency Assistance Scheme. The Scheme is established to offer support to patients who request assistance or treatment following an accident, a dental emergency, are diagnosed with mouth cancer or who become unemployed following redundancy.

Whilst the scheme aims to provide benefits in most cases, the scheme is a wholly discretionary scheme, not an insurance scheme. It has no obligation to provide benefits and the Scheme Manager will look at each request individually to decide whether or not to provide benefits.

Further details are available from the practice or you can visit [www.globaldentalscheme.co.uk](http://www.globaldentalscheme.co.uk) to find out more.
